Thanks Christine, I'll take a look. Still working on my comments, but likely sending by Monday/over weekend.

Best, J.

FYI—I think Linda's instinct to probe the basis for the Pesticide additional management measure was right. Here is a memo from EPA's Pesticide's program cautioning us on how we frame the decision. More thought and work will need to be done.

Subject: OPP Comments Related to EPA R10 Review of the OR CZARA Program

Christine and Jennifer,

Attached is a memo which summarizes comments from OPP on your program's review of the adequacy of Oregon's CZARA Program. In addition, specific comments on the supporting documentation from Mark Dyner of OGC are provided. Thank you for the opportunity to comment and please feel free to contact us with any questions.

Best regards,
Anita
